## Gene Key 3: Through the Eyes of a Child

### *The Gift of Innovation*

- Being open-hearted and open-minded is my true nature.
- I easily discard my dogmas and beliefs when they no longer serve me.
- I live in an infinite interconnected and interdependent cosmos.
- I am core wired to evolve, change and embrace chaos.
- I have a deep inner sense of trust for Life itself.
- I see the vast underlying transformative order within apparent chaos.
- I am held and protected in the embrace of the cosmos.
- Innovation and cooperation are built into all life.
- My optimism is the dynamic energy at the heart of creation.
- My gifts: Integrate & synthesize. Transcend & include.
- I am now tapping into the higher aspects within my own DNA.

### *The Siddhi of Innocence: All Play and No Work*

- I let go of the need to control life.
- For me: No barriers, no laws, no work. Only PLAY!
- My motto for life is Never Grow Up!
- My life is an epic exploration of consciousness.
- I remember and embody my pure child-like innocence.
- I keep on exploring, playing & experimenting... Forever!
- The simple delights of life are all around me!
- I embrace my greater identity, both collective and individual.
- I deeply trust and revere the chaos of play.
- As I let my genius play, I find creative new solutions.
- My true home is the feeling of love itself.
