Gene Key 27: Food of the Gods

The Gift of Altruism: The Pod Mind

- I understand and live the planetary law that to give is to receive.
- I give from my heart, stirring up cosmic forces that work in my favor.
- I give to others simply for the sake of giving.
- My giving activates healthy currents deep within my body.
- My higher purpose flows from my altruism like water from a spring.
- I empower others through deep communal bonding.
- I am generous. I care for others & for nature in general.
- I can heal all my old childhood wounds by sustained nurturing.
- My connection to the group mind knows what is worth giving to whom.
- I give off a powerful aura of trust and communal security.
- Powerful nurturing healing gifts are part of my nature.

The Siddhi of Selflessness: Love - the New Super Food

- I welcome the true planetary awareness now dawning in humanity.
- I embrace the path of compassion, the doctrine of harmlessness.
- I experience myself as part of a unified field of consciousness.
- My yearning to help others is absolutely pure in intent.
- I am nourished by the refined currents of my aura of love.
- The Divine law of philanthropy operates through me: The Love of Humanity.
- I give intelligently, unlocking the secret of free energy.
- I give only to that which is alive, reviving its life force with love.
- I draw upon Gaia's bio-energetic field for miraculous healings.
- I hear the music of the elements, the binding force behind all life.
- As I listen through the ears of Selflessness, Love is all I hear.
