

# Gene Key Affirmation Videos for Contemplation

## Gene Key 60: Cracking of the Vessel

### *The Gift of Realism: The Common Sense of Magic*

- I embrace spontaneous uncontrollable magic in my life.
- I break out of habitual mental structures & closed-circuit thinking.
- I balance youthful idealism and wisdom within realistic structure.
- I create structures that allow new ideas and energies to emerge.
- It is the resonance of my language that transmits the change frequency.
- It's common sense to leave the door open for magic & inspiration!
- I accept the unpredictability of the rhythms of life.
- I embrace my moods and energy swings as essential processes.
- I see the same shining inner truth at the core of everything.
- I find my inspiration inward, within every molecule of my DNA.
- It is my great privilege to be the eyes, ears & mind of Gaia.

### *The Siddhi of Justice: Earthship Merkaba*

- I celebrate the end of the illusion of right/wrong, good/bad.
- I embrace dissolution of duality, karma, cause & effect.
- True justice operates outside the laws governing physical reality.
- The laws of the world of matter are destined to soon be broken.
- I experience all time existing in the ever present now.
- Even the law of gravity can no longer hold me.
- I feel my Light Body in me, my Rainbow Body.
- I sense other realities and dimensions beyond my human form.
- The coming triple helix unites us all, beyond space and time.
- I can travel to other realms in a chariot of light.
- Gaia is the collective merkaba for us all.
